FESTIVE FLOWERS

We have been carefully crafting hand-tied bouquets since 1876, so we know just how to bring the magic of Christmas into a festive floral arrangement.

Luxury red roses, hypericum berries, verdant foliage and much more can be found within our festive bouquets. Each arrangement is handmade with love and care from the finest quality blooms.

These are the ultimate gift for anyone who adores filling their home with fresh, luxurious flowers - especially at the most wonderful time of the year!

CHRISTMAS BLISS

Adorned in scarlet red roses and crimson carnations, this Christmas display is traditional in style but with a contemporary twist. Cymbidium orchids and festive hypericum berries are intertwined with Nobilis pine and green skimmia to create this blissful bouquet - perfect for gifting someone special on Christmas Day.

CHRISTMAS CRACKER

Resemblant to a snowy winters day, the Christmas Cracker is a vision in white. This traditional white and green floral display is a fail-safe Christmas gift that they can proudly display in their home. Including blooms such as white roses, hypericum, lisianthus and hydrangeas, this whimsical bouquet would be a dream to receive.

CHRISTMAS BLISS

If you are looking to treat someone special this Christmas, then the Goodnight Christmas bouquet is a beautiful choice. Rich red roses, carnations and an abundance of red ilex are crafted with carefully selected seasonal foliage. This is a charming festive bouquet you'll wish you could display all year round.

CHRISTMAS TULIPS

Are tulips their favourite or are you looking to gift a unique festive bouquet this year? If so, the Christmas Tulips bouquet is a perfect gift idea. Red parrot tulips and double tulips are handcrafted alongside red hypericum, alstroemeria with verdant pinus strobus to exude that festive feeling.

WHITE CHRISTMAS

Elegant and sophisticated, the White Christmas bouquet is a luxurious floral display that they will be overjoyed to receive. This wonderful arrangement comprises white parrot tulips, white spray roses with seeded scabiosa and champagne skimmia. Displayed lovingly in the classic Moyses packaging, this bouquet is not one to be missed.
